The Council has published two Draft Supplementary Planning Documents (SPDs) for consultation from Friday 17th May to 4pm on Friday 28th June 2013

**Development and Coastal Change**

*Draft Supplementary Planning Document*

This document sets out the types of development that may be appropriate along the coast and how planning applications for development in the area will be determined. It also provides guidance for home owners and businesses affected by coastal erosion including how relocation sites will be considered.

**Renewable Energy and Sustainable Construction**

*Draft Supplementary Planning Document*

This document sets out how the Council will approach planning applications related to renewable energy and sustainable construction. Information is also provided about how new development can reduce its impact on the environment and how the operating efficiency of existing buildings can be improved.

**Where to view the Draft Supplementary Planning Documents and supporting documents**

Visit [www.consult.waveney.gov.uk](http://www.consult.waveney.gov.uk) to view the Draft Supplementary Planning Documents, Consultation Statements, Habitats Regulations Screening Reports, Strategic Environmental Assessment Screening Reports and Equality and Diversity Impact Analysis. Alternatively, view inspection copies at Waveney District Council Offices.

The Draft Supplementary Planning Documents have also been supplied to local libraries and the mobile library.

**Where to send representations**

Online: [www.consult.waveney.gov.uk](http://www.consult.waveney.gov.uk)
Email: planningpolicy@waveney.gov.uk
Post: Waveney District Council, Planning Policy, Town Hall, High Street, Lowestoft, Suffolk NR32 1HS

Representations can be accompanied by a request to be notified at a specified address of adoption of each Supplementary Planning Document. Once all comments have been considered, the Council may make further changes to the documents. Final ‘adopted’ documents will then be published later in the year.

**Contact the Planning Policy Team**
